“WINNERS GRINNERS” - LAUNCHING 11th OF MARCH 2022

After releasing 1st Single “Sweetie Song” 20th August 2021 DIY, gaining 30,000+ streams globally, and relocating from London to Berlin in the process, rock troubadour Dion Palumbo is due to launch the next single from his album.

Written before the pandemic in 2019, “Winners Grinner” describes how tough life can be striving & surviving in such a competitive world. When we step back and look at it, although technology enriches our lives in so many ways, the sheer quantity of information we experience in the modern world while just making ends meet, can be exhausting.

And as we move through new normal the song relates even more so.....

“Tired out, all out” the lyrics say. Perhaps the pandemic lockdowns gave us all a break in one way, and perhaps taught us new lessons....but at what cost ?

How do we measure success ? How do we find true happiness in ourselves ?

Sonically “Winners Grinner” is energetic & bouncy - catchy hooks in Verse, Chorus and Middle 8. So we pick ourselves up, re-invent and keep on going!

The Video and Track will be available on the 11th of March and Presale CDs of the full Album “Tales From The Big Smoke” - to be launched later this year – will be physically available @ Artliners Berlin – Winners Grinner Release Show, Saturday the 12th of March.

Got to know Dion about 5 years ago, so I put on a funk night at T.Chances and invited them to play, they were still known as Palumbo and the Funk at the time. The evening was pretty quiet and then out of nowhere about 50 - 60 people turned up to see them, a full 9 piece with horns and backing singers, they put on the most amazing set. They've now slimmed down and have moved towards more classic rock but still keep a funky undertone. This is my favourite song of theirs, an absolute classic in my opinion that somehow takes me back to mid 70's New York, have a listen. SINGLE FROM "ALL THE RAGE WE ARE" GET IT RIGHT – PALUMBO
