BIO

NATALIE GRAY is a singer/songwriter originally from Reading, described as if The 1975 had a baby with Madonna circa 1990.

Natalie was featured on Billy Da Kid's debut single "Get What You Give" remixed by Joel Corry signed to New State Music, as well as the vocalist for Charlie Hedges' and Eddie Craig's single "You're No Good For Me", "Don't Walk Away" by Damian Harrison and "Set Me Free" by D.O.D. Collectively Natalie has hit over 75 Million streams.

Natalie's latest single 'CAMOUFLAGE' about mental health and finally embracing yourself was supported by BBC INTRODUCING as well as Spotify playlists.

"Following a run of successful singles and festival appearances across the UK and Europe, NATALIE has become known for her electric live shows, emotional honesty and commitment to empowering others through music." - TUNE FOUNTAIN

Natalie is an active ally to the LGBTQ+ community and has played several Prides around the country including supporting Becky Hill at Pride in London. Natalie also supported Rag'n'Bone Man at Penn Fest, Ellie Dixon at Matchstick festival and headlined READIPOP in 2024.

"Natalie Gray, in her current single, seems to embody the best of Madonna and nods to a promising and exciting future." - MUSICMUSINGSANDSUCH
